

MIDEM 2016

03/06/2016 - 06/06/2016

Cannes - França

MIDEM is perhaps the most traditional international music fair, with more than 40 years of existence, having been the most representative for a long time. It gathers exhibitors of around 90 countries and around 6 thousand professionals. It is destined for record labels, publishers and distributors, but for the past 4 years it's been expanding with the participation of technology music-oriented companies.
