

Prospection Mission - Cuba 2015 - Vertical Services

11/01/2016 - 15/01/2016

Havana - Cuba

It regards visits to distributors, food factories, cosmetic factories, etc., and corporative clients. The goals are: develop the Brazilian companies' image; assess the international competitiveness level; test and evaluate the acceptance of our products; market research; attract market agents (for example: commercial representatives); arise interest of possible clients and investors; develop strategic alliances, etc.

I WANT TO PARTICIPATE
