Prospection Mission United Arab Emirates

13/06/2016 - 18/06/2016

Abu Dhabi - Emirados Árabes Unidos

A trade and prospective mission to open the secondary market indicated by associated companies – United Arab Emirates. This market has been targeted years before but not with great depth. In virtue of the new Apex-Brasil's actions with other segments of the agribusiness sector and because of a high demand for industrialized and own brand products, the reevaluation of this market by associated companies rendered important.
