

Le Cuir A Paris

16/02/2016 - 18/02/2016

Paris - França

Paris is the original and eternal world's fashion capital. Brazilian businessmen of this area recognize that LE CUIR is an important channel of trends and launch of new products, as well as the thermometer of the European market. Since it is the first fair of the season, it fixes the beginning of the development of international collections and participating in this fair is extremely important. Today, Brazilians are a reference in this fair and our participation is mandatory.
