

Missão 4 Europa - Alemanha/Inglaterra

20/06/2016 - 24/06/2016

Londres - Inglaterra

A prospecting mission by Innovative Technology-Based Companies to potentially supply international target markets and identify potential partners or key buyers for their products. These key buyers or partners will be identified through the AI (Innovation Environments) participating in the Land2Land network abroad, through qualified matchmaking professionals and companies, and with the support of Apex-Brasil's offices abroad using their relationship networks.
