

FN Platform

15/08/2016 - 17/08/2016

Las Vegas - Estados Unidos

The group of fashion exhibits known as MAGIC Shows consists of a group of industry-specific trade shows, including the Platform that is organized by Footwear News magazine, and the Project that focuses on audiences targeted by boutiques. The trade shows serve retailers and department stores from the west coast and south of the United States, as well as Central American countries. The event is extensively promoted and has a department dedicated to managing the relationship.
