

EXPOTEXTIL

23/10/2016 - 25/10/2016

Lima - Peru

It is one of the main trade shows for the Latin America textile industry, mainly because it is the industry's last event of the year. It was created to meet the increasing demands of textile buyers from Peru, Bolivia, Ecuador and Colombia. The trade show brings together textile manufacturers as well as machine, leather, chemical, software and accessories manufacturers.
