

FICCE

12/07/2017 - 14/07/2017

Quito - Ecuador

Organized by the CALTU (National Chamber of Footwear) the FICCE (International Footwear and Apparel Fair of Ecuador) is the main footwear trade show in the country. Ecuador is a market with great growth potential due to its high demand for materials. Because FICCE is the largest event in Ecuador for the footwear industry, it draws visitors from Ecuador and other countries in Latin America, such as Colombia and Peru.
