

Fizz 2016

14/10/2016 - 18/10/2016

Londres - Reino Unido

This event, focused on sparkling wine, will include a table featuring every variety of sparkling wine from the Brazilian vineyards participating in the project. The action will include tastings for visitors with the participation of a WOB representative. The goal is to attract buyers/importers who work directly with sparkling wine in the United Kingdom, both off-trade (supermarkets and independent retailers) and on-trade (bars and restaurants) to publicize these high quality wines, sparkling.
