

SPOGA+GAFA

04/09/2016 - 06/09/2016

Cologne - Alemanha

It is the world's most important gardening fair. It has over 2,000 exhibitors of different sizes from roughly 60 countries. They all come together at a single location to present their new products to the "green oasis." It is a global expo known as a great source of inspiration for the world's gardening and decorating industries. The event includes unique camping and barbequing equipment, plants and ornaments, as well as the latest trends in furnishings and decorations for garden settings.
