SIM SP 2016

07/12/2016 - 10/12/2016

São Paulo - SP

This is a new and efficient platform for professional training, networking and business transactions for the Brazilian and global music market. Lectures, debates, workshops, speed-meetings, professional meetings, networking cocktails, and many showcases, parties, an audiovisual show, and much more. A real immersion into the new musical universe. During SIM, São Paulo becomes the world capital of music for four days.

I WANT TO PARTICIPATE
