

Feira Tecma'2017

06/03/2017 - 10/03/2017

Cidade do México - México

This high-quality event in addition to bringing together Brazilian and international companies from the machinery and tools industry provides an environment where prominent companies from around the world can establish partnerships and promote international cooperation. The trade show is an opportunity to make decisions and learn about the industrial machinery market. A series of technical conferences for advanced students technicians and industry professionals will be held alongside the trade show

I WANT TO PARTICIPATE

PARTNERS:

ABIMAQ-2015-2017
