

Missão Comercial Vietnã

01/07/2017 - 05/07/2017

Ho Chi Minh City e Hanói - Vietnã

This trade mission is set to take place on the two days prior to the Futurmoda trade show in Alicante and Barcelona. After conducting a prospecting mission in 2016, we decided to interact with potential buyers to increase exports and market participation. We will seek support from the Brazilian embassies and their Business Promotion Department (SECOM) located in the three countries. Eventually, a matchmaking company will be hired to organize the logistics and networking sessions in Spain.
