# APLF MM&T – Materials, Manufacturing and Technology

29/03/2017 - 31/03/2017

Hong Kong - China

Organized by the ACICAM (Colombian Association of Footwear and Leather Manufacturers), the IFLS + EICI (International Footwear and Leather Show and International Exhibition of Leather and Inputs, Machinery and Technology) is considered the most important event for the Colombian leather and footwear industries. The event showcases machinery, footwear, equipment and apparel, bringing together exhibitors from many different countries, such as Colombia, Mexico, Brazil, Peru, Chile, Ecuador, India.

I WANT TO PARTICIPATE
