

Salone Internazionale del Mobile - I Saloni

04/04/2017 - 09/04/2017

Milão - Itália

The International Furniture Fair is globally recognized as the furniture industry's main event where leading brands are present and new trends are set. The event gives companies the opportunity to showcase their products to international buyers and attracts 200 exhibitors and an average of 375,000 visitors. Brazil's participation in the event, which is made possible by the Brazilian Furniture Project, is continuing to grow and aims to promote Brazilian furniture in the international market
