

AUTOMECHANIKA DUBAI 2017

07/05/2017 - 09/05/2017

Dubai - Emirados Árabes Unidos

This is an exhibition and trade fair geared primarily toward the automotive aftermarket industry. Dubai is an important hub for various sectors of the automotive industry, including auto parts. The fair is well established and attracts visitors in search of new business opportunities from beyond the United Arab Emirates, like countries in the Middle East, North Africa and Sub-Saharan Africa.
