

INA PAACE AUTOMECHANIKA MEXICO CITY

14/06/2017 - 16/06/2017

CIDADE DO MÉXICO - México

This is an exhibit and trade fair geared primarily toward the automotive aftermarket industry. Mexico is one of the main markets for Brazilian car part exports. Along with manufacturers, some of the country's main distributors will be in attendance. The trade show will welcome Mexican visitors as well as buyers from Central America and the rest of Latin America.
