

ARA 2017 - AUSTRALIAN RENDERERS ASSOCIATION - 14TH INTERNATIONAL SYMPOSIUM - What Tomorrow

25/07/2017 - 28/07/2017

Gold Coast - Austrália

This technical symposium is organized by the Australian Association of Renderers and focuses on the academic community as well as buyers and manufacturers of animal fats and tallow. It focuses on product promotion and networking. The event welcomes participants from the Americas, Asia, New Zealand and Australia. On the first day of the event (July 25) early arrivals will have the opportunity to attend a workshop about new technologies.
