

Colombia Moda - 2017

25/07/2017 - 28/07/2017

Medellin - Colômbia

Brazilian Footwear creates a space that is pleasing to the senses to promote not just the brands on display, but Brazilian culture itself. The Brazil Lounge is a pleasant and relaxing space. Buyers are brought inside by their interest in the Brazilian footwear industry. When they come into the space they are provided with service designed to understand their needs and recommend the brands that provide the best solutions.
