

Projeto Comprador - Feira Internacional de Máquinas, Matérias-primas e Acessórios para a Indústria Moveleira (FIMMA)

28/03/2017 - 31/03/2017

Bento Gonçalves - RS

The Buyer Project for FIMMA Brasil creates an opportunity for importers of machinery, raw materials and accessories for the furniture industry to meet with Brazilian companies exhibiting at the fair. The success of the project is ensured by a schedule that includes networking sessions between Brazilian entrepreneurs and foreign buyers. The action is promoted by the Orchestra Project and the Brazilian Furniture Project, both of which are sponsored by Sindmóveis, ABIMÓVEL and Apex-Brasil

I WANT TO PARTICIPATE
