

PROJETO COMPRADOR BRAZIL WINDPOWER - ABEEOLICA

29/08/2017 - 02/09/2017

Rio de Janeiro - RJ

This buyer project will take place during the Brazil Windpower Conference & Exhibition. Brazil Windpower is the largest wind energy event in Latin America and offers excellent networking and business opportunities for participants. The event brings together leading industry authorities and the industry's main players to talk about the growth of the wind power industry

I WANT TO PARTICIPATE
