

CONGRESSO IFSCC

23/10/2017 - 25/10/2017

Seoul - Coréia do Sul

This is the 24th edition of this international conference to discuss topics related to the cosmetic chemicals industry. In addition to the technical and innovation discussions, a business-oriented space will be provided for participating companies after the conference. The trade show expects to host 800 representatives from over 40 countries, and this edition will be held in Seoul, South Korea.

I WANT TO PARTICIPATE
