

MISSÃO PROSPECTIVA A BATIMAT

06/11/2017 - 10/11/2017

Paris - França

This prospecting mission will visit BATIMAT 2017, one of the world's leading home decor and construction trade fairs, as well as INTERCLIMA+ELEC, an event addressing energy efficiency solutions, and the IDEOBAIN trade fair. The trade fairs, which are referred to as the "World Construction Championship," bring together many types of products and materials used by a range of professionals in the construction industry.
